Prayer: Your Life Full and Filled

Many times when we learn about prayer we hear about the mechanics, theologies, and the doctrinal beliefs that are often associated with a particular denomination or religious organization. I believe the greatest authority on prayer is Christ Himself so we are going to spend a large amount of time looking into His prayer time with the Father so we may comprehend His instruction to us as His little brothers and sisters. Our goal is to gain His perspective to the life giving joy of Praying Like Jesus!
